### Scope and Content Note

The Leonard Albasi/Gill Family Collection contains eight copy negatives and ten copy prints of 1937 photographs of American pilot Amelia Earhart at an unidentified airfield, probably Miami's Municipal Field. In 1937, Earhart made her second attempt at flying solo around the world. Her preparations included a stop at Miami's Municipal Field near today's Opa-Locka Airport. After leaving New Guinea on July 2, 1937, Earhart disappeared over the Pacific Ocean.
